

LOST SEASON 6
EPISODE 8
TITLE : Recon

The Man In Black / Locke sends Sawyer to do some recon work on the Hydra Island. Also, I suppose you can play around with the title a bit and say Re-Con, as in to con again... Yeah, that's a stretch...

1. So Sawyer is a cop and Miles is his partner. And Miles is friends with Charlotte... And Sawyer does nookies with, like, everybody. They should have started the show with a dedication "This one's for the ladies."
2. It was interesting to learn that Sawyer was a cop since he let Kate go and actually helped her escape in the Flash Sideways timeline.
3. Episode 6 of Season 1 was a Sawyer episode, so maybe we are back to mirroring season 1?
4. So, as you have probably guessed by now, there is not too much weird stuff to fill you in on for this episode. Not too exciting unless you like seeing shirtless Sawyer. So in a desperate attempt to fill your head with pointless trivia, I give you this... Ajira Flight 316 was seen the first time since the crash. What was yesterday's date? 3/16 ! Sorry... really... I got nothing this week...

5. The books! We have Watership Down which still appears to be Sawyer's favorite book. If you read Watership Down, you will find it interesting that Kate was having rabbit for dinner. We have A Wrinkle in Time, which is a kids book about time travel and we have Lancelot about an attorney that finds out he is not the father of his daughter. (He gets all nutsy and kills his wife and blows up the house.) Sawyer read all these books while on the island as well.
6. Sawyer's code word to have the cops bust in was LeFleur. This was also his name when he was Dharma Security Guy.
7. The Man in Black mentions that his mother was crazy. Other Crazy Moms would be Claire, Locke's Mom, and Danielle Rousseau.

8. I LOVE LITTLE HOUSE ! Sawyer told Kate that he loved little house just as much as I do when they were on the island. Pa was telling Laura that if you live your life thinking about what's going to happen, before you know it, it's over. Also Pa called Laura half pint. Half a pint is 8 oz. which is a lost number.... No? You're booing me? Look, I'm trying, really! Did I mention Sawyer was naked a lot?

9. Lots of dead people...

10. Claire is as nutty as an Apollo Bar (If an Apollo Bar has lots of nuts in it, which, in my opinion, it should. Kind of like a Baby Ruth or a Nutty Buddy... God, I am so sorry...) But really, what the hell Claire?

11. At the police station a guy was standing at the counter asking about his brother who was arrested at the airport on a drug charge. The guy was Liam Pace, Charlie's brother and band-mate in Drive Shaft.

12. Naked Sawyer.

13. Naked snoopy Charlotte:

14. Hydra Station:

LINE OF THE WEEK:

Locke: It's either kill or be killed... and I don't want to be killed.
