

## Lost : Season 5 : Episode 9

### Namaste

**Title:** Dr. Candle... ummm... I mean Pierre Chang greets all the 'new recruits' with 'Namaste'. This is the first time Dr. Candle meets any of the LOSTees.

Namaste is a Hindi greeting that Dharma has used since the first time we saw them.

1. When the plane was crashing, prior to the flash they were flying at night. After the flash, it was a sunny, blue skied day.

2. Ben, Sun and Frank were the only people from the plane to not go back to 1977. They stayed in 2008 for some reason. We haven't seen Locke yet either though. Christian Sheppard was a corpse on the last flight though and he appears to be quite fine. Creepy and freaky, but fine.
3. Amy named her baby Ethan. Ewww. Baby Ethan.

6. Okay, that was TOTALLY Smokie in Christian Sheppard's happy little 2008 Otherville shack. Did you see that? I mean Smokie opened the door and left the cabin. I rewound it and watched it about 58,000 times and it HAS to be. Go look for yourself!

7. Here are the new Dharma recruits. How funny was it that Sawyer made Jack a 'Workman.' The dude doinks everyone Jack likes and then makes him a janitor. Wow. Also, to hell with the Dharma Merlot, someone get me Dharma balloons!

8. Jack asked Sawyer if Faraday was still there and Sawyer said, 'not anymore'. Not anymore as in dead or Not Anymore as in left the island, or Not Anymore as in a different time?

9. We get to see Ben as a kid again. How creepy is that kid? I mean he looks EXACTLY like Ben

10. Two songs this week. One real, one fake. Ride Captain Ride by Blues Image would be the real one. The fake song would be Dharma Lady (heard playing in the background during the photo session) by none other than the fake band 'Geronimo Jackson.' You can download the song Dharma Lady for free on iTunes. Seriously. Not kidding. Seriously. For real.
11. Another fun background audio would be the numbers being repeated over the planes radio as the plane was crashing.
12. I always wondered how I would do on the island. Well, considering they had access to the Muppet Show, I think I would do just fine. (Dr. Teeth playing the sax in the top left.)

**Sawyer Nicknames:**

Hurley : Kong (Hurley missed the nicknames.)

Radzinsky : Quickdraw (when he suggested shooting Sayid.)

**Best Lines Runner Up:**

Sawyer : It's 1977.

Hurley : Uhhhh.... What?

**Best Line:**

Frank : I originally came here on a boat filled with commandos, all sent to kill him.

Ben : Yes, and how did that work out for everybody?

**Ride Captain Ride Lyrics**

Seventy-three men sailed up from the San Francisco Bay  
Rolled off of their ship, and here's what they had to say  
"We're callin' everyone to ride along to another shore  
We can laugh our lives away and be free once more"

But no one heard them callin', no one came at all  
'Cause they were too busy watchin' those old raindrops fall  
As a storm was blowin' out on the peaceful sea  
Seventy-three men sailed off to history

Ride, captain ride upon your mystery ship  
Be amazed at the friends you have here on your trip  
Ride captain ride upon your mystery ship  
On your way to a world that others might have missed
