LOST
SEASON 5 EPISODE 10
He's Our You

Title:

Sawyer tells Sayid "He's Our You" when he is about to be tortured for information by Oldham. If you were like me last night, you were racking your brain trying to figure out where you have seen Oldham before. Not on Lost. This was his first appearance. But you might remember him if I introduce him like this...

Hi. I'm Larry. This is my brother Daryll and this is my other brother Daryll.

1. I like Hurley in the role as Summer Camp Chef.

2. At the bar, Sayid is drinking the Lost-Famous McCutcheon Whiskey. \$120 a glass. Widmore once said that one swallow was worth more than Desmond would ever make in a month.

3. In Moscow, after his hit, Sayid exits the building with Олдхэм Фармасьютикалс written above the door. Translated, this is Oldham Pharmaceuticals. Oldham pharmaceuticals must produce truth serum sugar cubes.

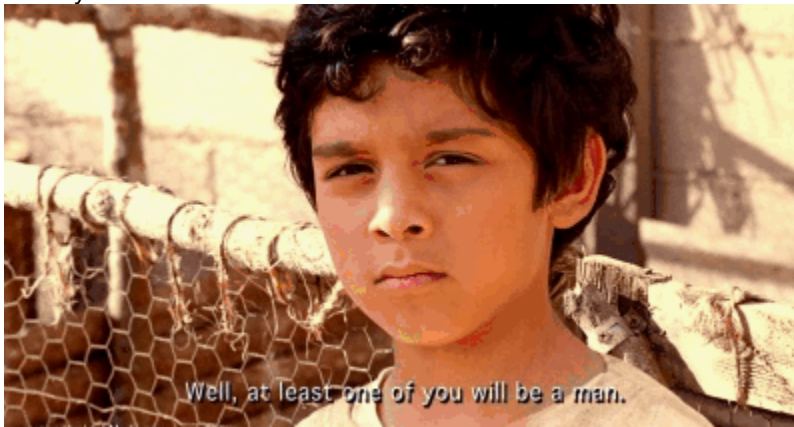

4. An abusive father and getting shot in the chest when you are 12 may eventually lead to 'evil maniacal bad guy-ness.'

5. Young Ben is very much like his "daughter" Alex. Alex was also kind to prisoners and helped them escape.

6. On a side note, if baby Ethan is, in fact THE Ethan, how did he escape Ben's "Purge"?

7. Sayid killed the chicken so his brother wouldn't have to. This mirror's Mr. Ecco's situation a bit.

8. Does Old Ben know so much about the LOSTeers because he spent so much time with the adult versions of them as a child?

Just a thought my wife had that makes sense to me. I bet Jack will have to do surgery on Ben to save him. Just like he did on grown up Ben.

9. The book Little Ben give Sayid is "A Separate Reality (Further Conversations with Don Juan)" The book is about conversations the author had with a self proclaimed 'sorcerer' don Juan. The "sorcerer" don Juan and the author used hallucinogenic drugs to enter a different world they considered a separate reality.

10. The song playing by Oldham was "I Can't Give You Anything But Love, Baby"

I can't give you anything but love, baby
That's the only thing I've plenty of, baby
Dream a while scheme a while
We're sure to find
Happiness and I guess
All those things you've always pined for
Gee, I'd like to see you looking swell, baby
Diamond bracelets Woolworth doesn't sell, baby
Till that lucky day
You know darned well, baby
I can't give you anything but love

LINE OF THE SEASON (so far)...

Sawyer: How ya doin'?

Sayid: A 12 year old Ben Linus just brought me a chicken salad sandwich. How do you think I'm doing?
