

Season 5 : Episode 8
"LaFleur"

Title:

LaFleur is the name that Sawyer took when he became king of security on the island. For those who took Spanish instead of French in high school, LaFleur means 'the flower'. He also gave a flower to his new girlfriend Juliet.

1. Our time travelling friends got to travel far enough back in time to see the back of the statue with 4 toes. Unfortunately, they zapped out of that time period pretty quick so we didn't get to explore much.

2. Jerry and Rosie are partying away in the Security Hatch. Rosie is wearing a Geronimo Jackson shirt. (The fake 70's band.) The music that is playing is Tony Orlando and Dawn's "Candida". Phil is the other guy who comes into the station. So Phil and Jerry are eating "brownies" in the hatch made by Rosie. Jerry Garcia and Phil Lesh are members of the Grateful Dead, and Rose could be a nod to the song Ramble on Rose.

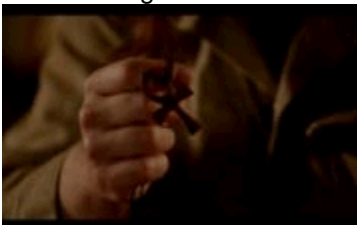

3. Jerry and Phil also mention the Polar Bears. Jerry says, "Mellow out Phil. What's going to happen? The Polar Bears are gonna figure a way to get out of their cages?"

4. We, the fans, have been calling Richard Alpert 'mascara man' or 'guyliner' for years now. Sawyer said to Horace "...your buddy out there with eyeliner..." Nice! Finally! Alpert and his gun wielding maniac executioner 'people' are considered the 'natives' according to Horace. This means they were there before the Dharma folks. They have a truce.

5. Sawyer was kept prisoner in the Rec-Room. Kate, Ben and Sayid have all been prisoners in this building.

6. Paul's necklace is an Ankh. This is the Egyptian symbol for fertility and eternal life. Many Egyptian statues have the gods holding an ankh over their chests. The giant 4 toe statue seems to be holding an ankh in each hand.

7. Juliet the mechanic. Looks like a wrench on her Dharma Jumpsuit.

8. Who doesn't love a well aged Dharma Merlot?

9. It appears that Sawyer, Jin, Juliet, Miles and Daniel have been living a lie for three years on the island, just like the Oceanic 6 have off the island.

10. Sawyer uses the Black Rock dynamite boat as his con for explaining why they were on the island. Later Horace is seen throwing dynamite around. Dynamite. Is it possible to say dynamite without thinking of ...

11. Sawyer wanted to just stay on the island and 'play house' with Kate. She did not want to do play house. Juliet did.

Not this house.

12. Faraday sees Charlotte as a little girl.

13. The gang's all here... almost...

14. So here's an interesting question... Where are Rose and Bernard? They were still on the island, last we left them. So they should have been bopping around time too. And Vincent for that matter. Hmmph...

Sawyer nicknames:

Daniel : Plato

Miles : Enos

Candida

(Tony Orlando and Dawn)

**The stars won't come out if they know that you're about
'Cause they couldn't match the glow of your eyes**

And, oh, who am I ?

Just an ordinary guy

Tryin' hard to win me first prize

Oh, my Candida

We could make it together

The further from here, girl, the better

Where the air is fresh and clean

Candida

Just take my hand and I'll lead ya

I promise life will be sweeter

'Cause it said so in my dreams

The future looks bright, the gypsy told me so last night

Said she saw our children playing in the sunshine

And there were you and I ... in a house, Baby, no lie

And all these things were yours, and they were mine

Oh, my Candida

We could make it together

The further from here, girl, the better

Where the air is fresh and clean

Candida

Just take my hand and I'll lead ya

I promise life will be sweeter

'Cause it said so in my dreams

**Oh, my Candida
We could make it together
The further from here girl the better
Where the air is fresh and clean**

**Candida
Just take my hand and I'll lead ya
I promise life will be sweeter
'Cause it said so in my dreams**
