

Episode 14 - Season 2:  
ONE OF THEM

1. An easy one, but in case you missed it, the Army guy that was looking at a photo of Kate was her Step Father.

You will remember him from the episode where Kate went to see him at the recruiting office when she was on the run after killing

her real dad (that she thought was her step dad... confusing...).

2. Henry Gale (the "other" that Sayid was torturing) is also the name of Dorothy's Uncle in The Wizard of Oz.

3. The Wizard of Oz had a Hot Air Balloon... hmmm...

4. Henry Gale was not wearing a wedding ring. (Fell off while he was burying his wife maybe?)

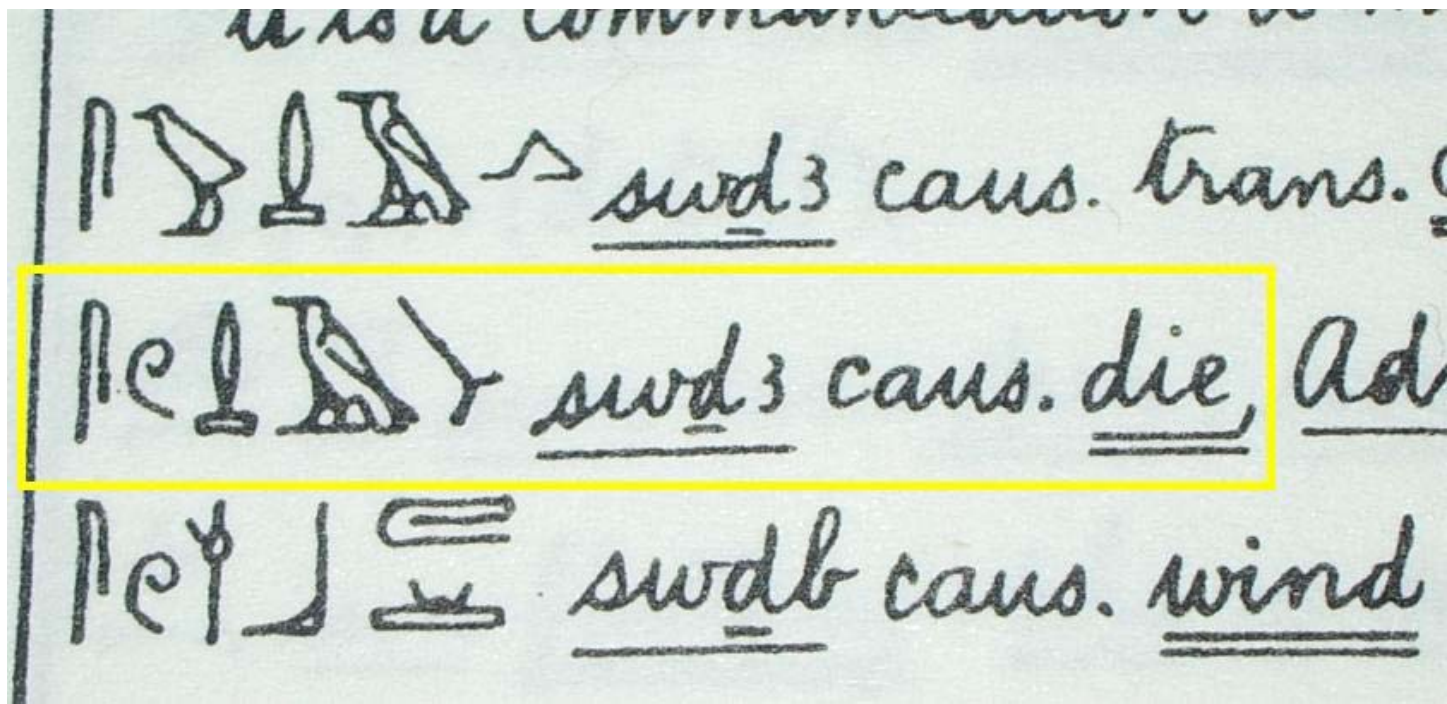

5. Really stretching the Wizard of Oz thing here, but Sawyer nicknamed the evil pirate guy 'Zeke'. Zeke was the cowardly lion.

6. Sayid beat the crap out of a human and we like him for it (admit it). Sawyer kills a frog and we hate him for it.

7. Here is the picture you know you want...

The screen capture of the hieroglyphics when the clock hit zero and a translation.

The picture above was found on a translation sight.  
 This translates into : "Cause to die"

Here is another screen cap while they are still spinning:  
 No explanation though, just a different symbol.

8. Numbers 4 8 15 16 23 42 (all equal 108) for this week:

balloon crashed 4 months ago  
Sayid was 23 when he was interrogated  
But the best numbers this week:  
23 108 42 on the tape Sayid was forced to watch:  
DIA (Dahrma Initiative?)
